These digital countdown/count-up cooking timers incorporate a louder than average audible alarm.

The cooking timers are fully programmable via three, easy to use push buttons, allowing the user to set the time up to 99 minutes and 59 seconds or 19 hours and 59 minutes.

Each cooking timer is powered by a single AAA battery, incorporates a large, clear and easy to read LCD display and is designed to sit on a worktop or be attached to an appliance via the magnetic pad at the rear of the timer
